Hundreds of thousands of people were losing their jobs as well as the beer they were drinking. The German-Americans suffered the heaviest losses since beer was made mostly by the Germans.

After the repeal of Prohibition in 1933 the Bruckmann Brewing Co. was permitted to deliver the first shipment of Bruck's real draft beer to The Wheel Café, located at 537 Walnut St. This delivery was made during the early morning hours on April 7th.

At 9am that morning patrons lined up as many as 9 to 15 in a line to get a quick taste of beer. Mr. McCullough was one of the bartenders at the Wheel that morning. Years later he would recall that he had "never before or since seen so many people line up to get a glass of beer."

THE WHEEL CAFE

by Henry Smith

The Wheel Café on Walnut Street in Cincinnati got the last legal shipment of beer before Prohibition took effect on January 17, 1920. The 18th Amendment of the U.S. Constitution was about to shut down the brewing industry in the Cincinnati area as well as all of the United States.

October IKO Show

Mark your calendar for October 21-22, 2011. The early details are found elsewhere in this issue. More details will be forthcoming in the next issue of the Bulletin, including the tokens and medals featured in the IKO auction, the bourse application, and a map of the local area showing directions to the new location. We hope to see you there!

WE NEED TOKENS !

for the
2011 IKO-TAMS AUCTION

Once again we will be having our mail/bid board/floor auction in conjunction with the October show. Any IKO-TAMS member is welcome to submit **up to 10 lots** with a list accurately describing the lots for the mail bidders. Together with the description, please include the condition of the piece. Attributed mavericks should include source of attribution. Trade tokens are preferred especially unlisted tokens, saloons, BBC, good transportation and other “better” items. Lots with an anticipated value of **\$10.00** or more are eligible. A small commission for each lot (10% of selling price or \$2.00, whichever is greater) will be retained by IKO-TAMS.

Lots and their listing should be sent to the auction manager (address below) no later than **July 1, 2011** for the lots to receive maximum publicity. When mailing, use appropriate postal insurance. The auction manager reserves the right to refuse any lots which, in his judgment, should be refused. **Time is passing !** So hurry – round up your treasures and send them to:

PRESIDENT’S MESSAGE

October IKO Show

As we go to press there is important news about our 2011 Annual Show. It will be on Friday, October 21st and Saturday, October 22nd. This is a little later in the month than usual so as to avoid conflicting with the ANA show in Pittsburgh, PA.

The new location is in Englewood, OH, less than 3 miles from the I-70 & SR 48 interchange where we met for so many years early in the history of our Society. It is also less than 7 miles from the Dayton International Airport. Motels and restaurants with well known names dot the landscape around the interchange. I am sure everyone will be pleased with the new meeting facility and the general location. Please mark your calendars now.

IKO Secretary

Secretary Jack Siles has requested we find someone else to take his office. He has held it for several years and is ready to retire. The duties of the office are not as complicated as the title might indicate. They are primarily those of a “Membership Secretary”. We need some members to step-up and volunteer so their names can be on a ballot to appear in the next Bulletin. Please advise me of your interest.

Ohio Book

As a reminder, I am still accumulating new listings for Ohio Merchant Tokens not appearing in the Lipscomb books. Send me what you have with attributions. WE STILL NEED

SOMEONE TO COORDINATE THE 3RD EDITION PROJECT.

IKO March Meeting

Present were Dave Gossett, Joe Simons, Pat Cuthbert, Gene Neuspickle, Jack Siles, Henry Smith, Jerry Schaeper, Tom Wehner, and Dale Wilges.

Tom Wehner reported on the work to improve the accuracy of listings for any future edition of the Ohio book.

Jack Siles and Henry Smith are working on an updated membership roster. Hopefully it will be finished in the next 90 days.

Jerry Schaeper was thanked for his work in promoting IKO to non-members and getting several new members for our organization. Without these new members we cannot prosper as a group. Jerry is to be commended for his work.

Regional and annual meetings were discussed. Progress is evident.

Send your tokens and medals to Terry today. Make our October auction better with your prompt response!

INDIANA TOKEN UPDATE

These tokens are unlisted in Wagaman's Indiana Trade Tokens. If you know of any unlisted Indiana tokens please send them to me at the address given on the second page of this Bulletin. Thank you. Kevin Grant

IKO MAVERICKS

Mavericks for this column may be sent to the address of the Maverick Editor given on the 2nd page of this newsletter. *Please include a phone number or email address in case I have any questions about your submission.* It is very important to me to get these listings correct the first time. As a former Maverick Editor once told me, "Once a mistake gets into the published literature, it is almost impossible to correct". It is my job to get these done right and I will strive to do so. Thank you.

Please email me if you want an electronic copy of the IKO mavericks in .pdf format. The program that reads this file is free. If you don't have it, let me know and I can send instructions to get that, too. The mavericks list is also available on our website, ikotams.org.

The notation ICL refers to the Ingle Customer Ledger. John Byars is working with tokencatalog.com and their researchers to attribute Ingle tokens. If you haven't visited tokencatalog.com I would urge you to do so. Many tokens are being attributed on the website.

EDITOR'S NOTES

Warm weather always brings many opportunities to find tokens. Auctions, flea markets, and garage sales all contribute to the chance to add to your collection. I hope all of you are able to add a few new items to what sparks your interest.

If you end up with an interesting story to tell, write it up and share it with your fellow collectors. I am in need of articles for the Bulletin and we would like to read about your adventure. Did you find something unusual? Was it from an odd source? Whatever the story, we are waiting to hear from you!

In the last Bulletin the article on Indiana Ingles referred to a merchant from Michigan City named Emil Lepel. His name was misspelled in the article. Thanks to John Byars for bring this to my attention.

WANTED

Collector of INGLE SYSTEM tokens is looking for one each from each merchant and there are 4500 plus different ones.

I do have a copy of the original INGLE SYSTEM CO. customer ledger with order numbers. I will be glad to help ID your INGLE mavericks or verify the ID of the ones in your collection.

Ex-IKO Member Killed

For those that have been members of IKO for a while you will remember Steve Tanenbaum from the October shows. He and his business partner, Rich Rossa, set up at the show for many years. While this was before I was a member, I have heard from others that his offerings were extensive and varied.

Steve was a victim of a hit and run accident on Feb. 11, 2011. The driver was a murder suspect accused of killing three people and fleeing from police. Steve was his fourth victim.

He will be remembered for his extensive collections, his expert knowledge in many areas of exonomia, and for the books to which he contributed. His many friends miss him already.

MAVERICKS NEEDED

Do you have any mavericks laying around, collecting dust, waiting for the promised weekend research time that never seems to happen? Send their description to the Mavericks Editor and let us help you. Tokens from the Mavericks Column are regularly identified, making them more valuable to you. I have enough for 1 or 2 more issues, but will need more after that. Contact information is on page 14 of this issue. Thank you.
