Preparations for the Oct. 21st and 22nd annual show at Englewood, OH continue. Bourse applications were sent weeks ago to those who reserved tables last year plus potential new dealers. Some reservations have already come in including a new dealer and one who has not had a table in years. Speaking of dealers, Virginia King will not be at the show due to health reasons. This will be the first annual show she has ever missed. What a record! Show fliers are ready and distribution is beginning in earnest. Vice President Vore has been active in arranging publicity with other exonomia groups. Our website has the details. Assistance of each member in recruiting dealers and with publicity is requested. Our more central location should lead to the biggest show in years.

Henry Smith had a real nice article on the Wheel Cafe in our previous bulletin. We need more. I'll bet you could do one.

Take a close look at the interesting auction Terry Stahurski has put together. This takes a lot of work. Support the effort by mailing in those bids if you can't attend the show.

A pat on the back is also due to Kevin Grant for the three big jobs he does for us on a continuing basis. Let him know how much you appreciate his work.

See you in October!

## SCHAEPER HONORED WITH LIFE MEMBERSHIP

by Dave Gossett

I am very pleased to announce that Jerry Schaeper Jr. has been voted Life Member (LM) #12. This action was taken at the Warsaw Regional Meeting in June after Jerry's work as described in the Bulletins was reviewed and considered by the officers. During the early years of IKO-TAMS, Jerry served in the following capacities:

- ▶ President 2 years
- ▶ Vice President 4 years
- ▶ Sgt. At Arms 8 years
- ▶ Quarterly Mail Bid Auction manager 3 years
- ▶ Presented programs at Quarterly Meetings

In more recent times, Jerry has been active in supporting our annual shows, and has led the way in recruiting new members.

In case you are wondering the other LM's are Gaylor Lipscomb (deceased), Lloyd Wagaman (deceased), Bill Hamm, Dave Gossett, Dale Wilges, Hank Spangenberger, Terry Stahurski, Jack Siles, Tom Wehner, and Kevin Grant. One other awardee later resigned his Life Membership.

The Life Membership is presented to members who have rendered outstanding or extraordinary service to IKO-TAMS and the hobby in general. As a token of appreciation, Jerry received a special engraved metallic membership card and no longer pays any annual dues.

## EDITOR'S NOTES

Check out the end of the Bulletin for the auction items and the Show information. Terry Stahurski is to be commended for putting together another great auction and Dave Gossett lauded for his efforts to put on the Show all by himself. Succeeding years should be easier, but I know how much work Dave has put into this year's Show and it was not easy to do. Thanks, Dave!

With the length of this Bulletin something had to suffer. The number of new mavericks in this issue is very short. Look for the column to be more robust in the next quarter.

Many thanks also go to Jack Smith for his contribution of Indiana Good For mirror images. I hope you will enjoy this new series over the next few issues.

# IKO MAVERICKS

Mavericks for this column may be sent to the address of the Maverick Editor given on the 2<sup>nd</sup> page of this newsletter. *Please include a phone number or email address in case I have any questions about your submission.* It is very important to me to get these listings correct the first time. As a former Maverick Editor once told me, "Once a mistake gets into the published literature, it is almost impossible to correct". It is my job to get these done right and I will strive to do so. Thank you.

Please email me if you want an electronic copy of the IKO mavericks in .pdf format. The program that reads this file is free. If you don't have it, let me know and I can send instructions to get that, too.

## JUNE IKO MEETING

The last IKO meeting was held on June 11, 2011. As always, it was graciously hosted by Virginia King in Warsaw, IN. We had eight members present and four guests.

In the business portion of the meeting IKO President Dave Gossett discussed the upcoming October meeting in Englewood, OH. The location will be about 2 miles from where we held the show many years ago in Englewood. Dave promised to have the bourse applications in the mail shortly.

Dave reminded members to get their tokens to Terry Stahurski for the auction portion of the October show. Terry always puts together a wonderful auction, but can't do it without help from all of us.

We continue to look for a new Secretary. Jack Siles has held this office since 2004 and is looking to reduce his work load. Are you able to make the commitment to help IKO? Please let Dave know if you are interested.

As a side note, Jack Siles has temporarily moved. If you need to get in touch with Jack, please call Dave for Jack's current address.

The highlight of the meeting was the discussion of Jerry Schaeper's contributions to IKO and his nomination for Life Membership. Jerry's contributions through the years has greatly improved IKO as a whole. See page 25 for more information.

Vice President Ron Vore is coordinating the publicity for the October show. He will be contacting many token groups and individuals to promote the event.

Lastly, it was reported that IKO member Jack Smith is home recovering from lung cancer surgery. While full recovery will take some time, Jack says he is getting around better and has made a few trips out of his house recently. We all hope to see Jack back on the token circuit soon.

ARTICLES ARE NEEDED FOR THE BULLETIN

I am in need of articles to run in future issues of the Bulletin. While I have a small number I can use, they are dwindling. I have been very fortunate, and thankful, to have received material for past issues, but more will be needed soon. Please consider writing something about whatever tickles your token or medal fancy! Articles can be sent to: Kevin Grant, 205 North State Street, South Whitley, IN 46787-1387 or via email to kdacc1@embarqmail.com  
THANK YOU!
