IKO-TAMS Bulletin

Vol. 41. No. 2

August 2018

2018 ANNUAL SHOW – Tables for the show October 12th and 13th are SOLD OUT. Should be a dandy. The Larry Kemper collection of transit tokens will be at the tables of Joel Reznick while Paul Cunningham will have portions of the Rich Hartzog estate at his. We MAY have the Joe Bettman collection of transportation tokens for sale also. ----- Dealer Harley Bissell's offering of merchandise will be supplemented by a silent auction of over 40 state guides and token books closing at noon sharp on Saturday. (Postage extra if not picked up at the show.) This is completely separate from our IKO-TAMS auction which will be called starting at 12:30 Saturday. (List attached.) ----- Remember: our three nice door prizes will be awarded at 2:00 PM Saturday. ----- DEALER'S NOTE: We are offering an optional Thursday set up time; 4:45 PM til 7:00 PM. We need to leave the room by 7:15 when the overnight security man arrives. ONLY TABLE HOLDERS AND ASSISTANTS ADMITTED ON THURSDAY. Set up resumes 7:30 AM Friday.

FUTURE PLANS -- Please review this paragraph of the March bulletin. The only change to be made is that my relinquishment of the President position may be earlier than stated. ----- To date, NO ONE HAS COMMITTED to be a candidate for office. NOTE: A member has inquired about the possibility of moving the 2019 annual show to the Louisville, KY area and wanted to know if anyone had an opinion on that. So, LET ME HEAR FROM YOU! Time is getting shorter. ----- MEMBERSHIP DUES ARE WAIVED FOR 2019. Voluntary gifts, as always, are appreciated.

PRESIDENT'S MESSAGE – In the March bulletin when discussing the valuable assistance rendered by Jerry and Charlie, I should have included the vital role played by auction chairman Terry Stahurski and his helpers. I think most of us tend to underestimate and appreciate the boost this gives to the overall success of our shows. Speaking of which, don't overlook the ATTACHED LIST for this year's show. Suggestions have been made that there was more room for tables at the Legion if arranged differently. I spent a lot of time on potential new layouts and could not make it happen for three reasons: aisles for public access must be of sufficient width to accommodate shopper occupied chairs in front of each dealer table and wheelchairs/walkers; dealer backup tables can't be adjacent to an aisle; desirable wall space could be significantly reduced. Bottom line ----- in any new layout we lose as many tables as we gain.

Member Miles Patton continues to recover from surgery. Remember, he and Tom Wehner and Jim Brokamp continue to research and list tokens for a new Ohio book. Send your list please.

LOSS OF A LEADER AND FRIEND – With great sadness I report the passing of Jack Siles on May 22 at the age of 89 years. He was a long time IKO-TAMS member who collected OH and KY tokens while doing research and cataloging. He also collected stamps, coins, military insignia and railroad memorabilia, namely switch keys and lanterns. In later years, he was honored with a Life

Membership for service to our society. Here is the incredible record of that service and the offices held.
