IKO-TAMS Bulletin

Vol. 40 No. 2

August 2017

40TH ANNUAL SHOW – SEPT. 22ND & 23RD 2017 --- Our annual show will be earlier in the autumn than usual. It would be great if every member would attend but that is probably an unrealistic goal. But let's see how close we can come! There will be a sign-in sheet at the secretary's table and the numbers will appear in the next bulletin. – Our very first show was at the Holiday Inn, Englewood, then located at the northwest corner of I-70 and SR 49. Years later, we moved to the Airport Inn (now demolished) on the grounds of the Dayton International Airport. From there we sojourned to the Auglaize County Fairgrounds, Wapakoneta, OH. About five years ago, we moved to our present home. That's just four locations in 40 years. During this time other token/medal groups have come and gone, but our show remains and has grown to the point of being one of the best in the U.S. How did we reach this level? By the strength of our loyal membership and the willingness of some to carry the workload. I believe our founders would be proud of us. Not to be overlooked are our dealers some of whom travel long distances and incur not insignificant expenses. Without our dealers there wouldn't be any annual show. – Member Randall Harlow has donated a quantity of items to be sold in the auction and at the secretary's table. Also, member Dennis Poland donated to our auction. Thanks, guys!

2018 IKO-TAMS MEMBERSHIP DUES --- To celebrate our 40th anniversary we are waiving membership renewal dues for 2018. (Don't spend it all in one place unless it is at our September show!)

ATTENTION DEALERS --- If you have not already returned your bourse application and check to Charles Turner, please do so right away. If you think you will probably attend but are not sure go ahead and reserve. If later you find you need to cancel do so not later than September 1st by advising Dave and a full refund will be given. If you received an app and you know you are not coming let Charles know. Following these steps helps in planning and will make the work easier. Thank you!

AUCTION --- Take a close look at the list of items. It contains some really good pieces. Don't be reluctant to bid by mail even though you plan on attending. This establishes a starting point for each lot and encourages others to bid. You can always change your bid at the show if you wish.

VIRGINIA KING DONATION --- We will be concluding the selling of the balance of the various items of exonomia donated a year ago. Organization will be better this year and prices again, very reasonable. We need to sell out as they will not be offered again at the show. So far we have benefited to the tune of \$883.50.

PASSINGS --- We also note the passing of Bill G. Raney a serious collector of Indiana tokens. He lived at Anderson, IN and was an active member many years ago. – Bob Cathcart, another well known Indiana collector was living in Kentucky at the time of his death.

We note with a great deal of sadness the passing of long-time member and good friend Virginia King on Feb. 9, 2017. She and her husband Ralph were part of our founding group. A summary of the obituary reads as follows: Age 94, died at Warsaw's Kosciusko Community Hospital – Born Dec. 25, 1922 in Warsaw. She was a 1940 graduate of Warsaw, H.S. On July 7, 1965 Virginia was married to Ralph King in Columbia City. -- He died Mar. 11, 1997. Virginia had worked as an L.P.N. for McDonald Hospital until they closed. Before retiring she worked for several nursing homes. An avid coin, tokens and medals collector, Virginia was a member of IKO-TAMS, the ANA and the American Legion Auxillary in Columbia City. In her earlier years, she raised sheep on the Larwill farm. In later years the Kings enjoyed traveling. Rest in Peace, Virginia.

OHIO BOOK PROJECT --- The work is proceeding with Miles Patton, Tom Wehner and Jim Brokamp doing a considerable amount of research to make the listing as complete and accurate as possible. John Mutch assists with the computer work. If you own Ohio tokens not in the Lipscomb 2nd Edition, PLEASE send your listings to Miles. If you are busy and don't have much time for this, then skip the minor varieties; just concentrate on the merchants and towns which are not in the book. We really don't know when the manuscript will be ready for the printer. The team would also like to know if you are interested in purchasing the new book when it comes out. (A price has not yet been determined.)

INDIANA BOOK REPRINTS --- Our remaining supply of the Grant books is running low and we will probably be reprinting yet this year. The cost will be higher since the quantity will be less than the original run. So, if you have been thinking about ordering you might want to go ahead and do so. You may order the book now and pick it up at the show saving the cost of postage.

HOW TO ORDER

SEND CHECK OR MONEY ORDER TO:

**IKO-TAMS, P.O. BOX 372
MIAMISBURG, OH 45343**

Both the Grant 2nd edition book and the Wagaman reprint are \$25.00 each plus \$6.00 S&H or \$7.00 if ordering two books.

TOKEN AND MEDAL SOCIETY (TAMS) --- Kudos to our long time member Gino Sanfilippo who co-authored an excellent article in the TAMS Journal for March/April 2017. The subject of the article is the Heraldic Art Medals Stuck in Cleveland, OH by Robert T. McNamara. The authors refer the reader to an earlier article in the February 1997 Journal which was found on the Internet. The current article runs 12 pages and is well documented with photos and charts. These medals are now quite popular which is understandable in view of their historical significance and artistic beauty. (We happen to have one in our upcoming auction) --- a hearty pat on the back to Gino for his part in a job well done.

NATIONAL TOKEN COLLECTORS ASSN. (NTCA) --- Recently, NTCA elected officers and directors for the coming year and we are pleased to honor those who are also IKO-TAMS members. They are Tony Chibbaro, President NTCA; Richard Greever, and Luke Johnson, directors NTCA.

Furthermore, our member, Dan Anderson of Coralville, IA will be writing a monthly column about exonomia. Congratulations to these our members.

Ingle System Scrip - A Checklist and Attribution Guide

After the Ledger

Richard Greever & John Byars

Spiral Bound - 83 pages of listings in alphabetical order

This is an update to Lloyd Wagaman's original Ingle System checklist, published in 1987 by the IKO-TAMS. Inside are the most current attributions for all known Ingle System tokens; the names on the tokens, attributions, and a list of all known denominations from each merchant are shown in a compact form.

This update is based on information contained in the Ingle Customer Ledger, originally used by Ingle System to keep track of their customers names and addresses. The information in the Ledger was then verified as much as possible from secondary sources to verify the attributions; business rating directories, city directories and newspapers.
